We are a family of four from Norway, Oslo area, who loves Villajoyosa and our house in the old town. We have rented here for 15 years and are very familiar in the area, but this year we bought the lovely house that we like to share with others when we are not there. It is a house of "soul and charm", which you feel comfortable in. Although the house is a few hundred years old, it is modern and refurbished. Welcome! Please see this web site for more detailed information about the house and the area. www.lavilajoyosa.no
